

***E*-CODE**  
**TECHNOLOGIES**  
Business Development Solutions

**E-CODE** is a Business development solutions company which has established since, 2004 in Ambala with a successful growth rate in the field of Design and Web Technology.

Since its beginnings in 2004 the company's mission has been developing a collaborative relationship with each client to guarantee business results. We do this by consulting with the client and gaining a solid understanding of the organization's goals and to use their money regarding to their field to make sure that they become more success and powerful in the market. We combine our general business knowledge with our expertise in E-business practices to develop a Web solution to meet their needs.

We always show our level best performance to every client, who may be concerned with us.

On that basis of regular technology and financial growth of company, E-code decided to shift company base to New Delhi with its one more

## NEED OF REIZVOL

**NOW**, E-CODE shifted to NEW DELHI.

To gain more opportunity with target of Manufacturing Industry, Corporate World and Glamour Industry, E-Code felt the need of new firm named REIZVOL to capture the market & improve the operations.

REIZVOL cover's wide range of services with support of experience and talented team.

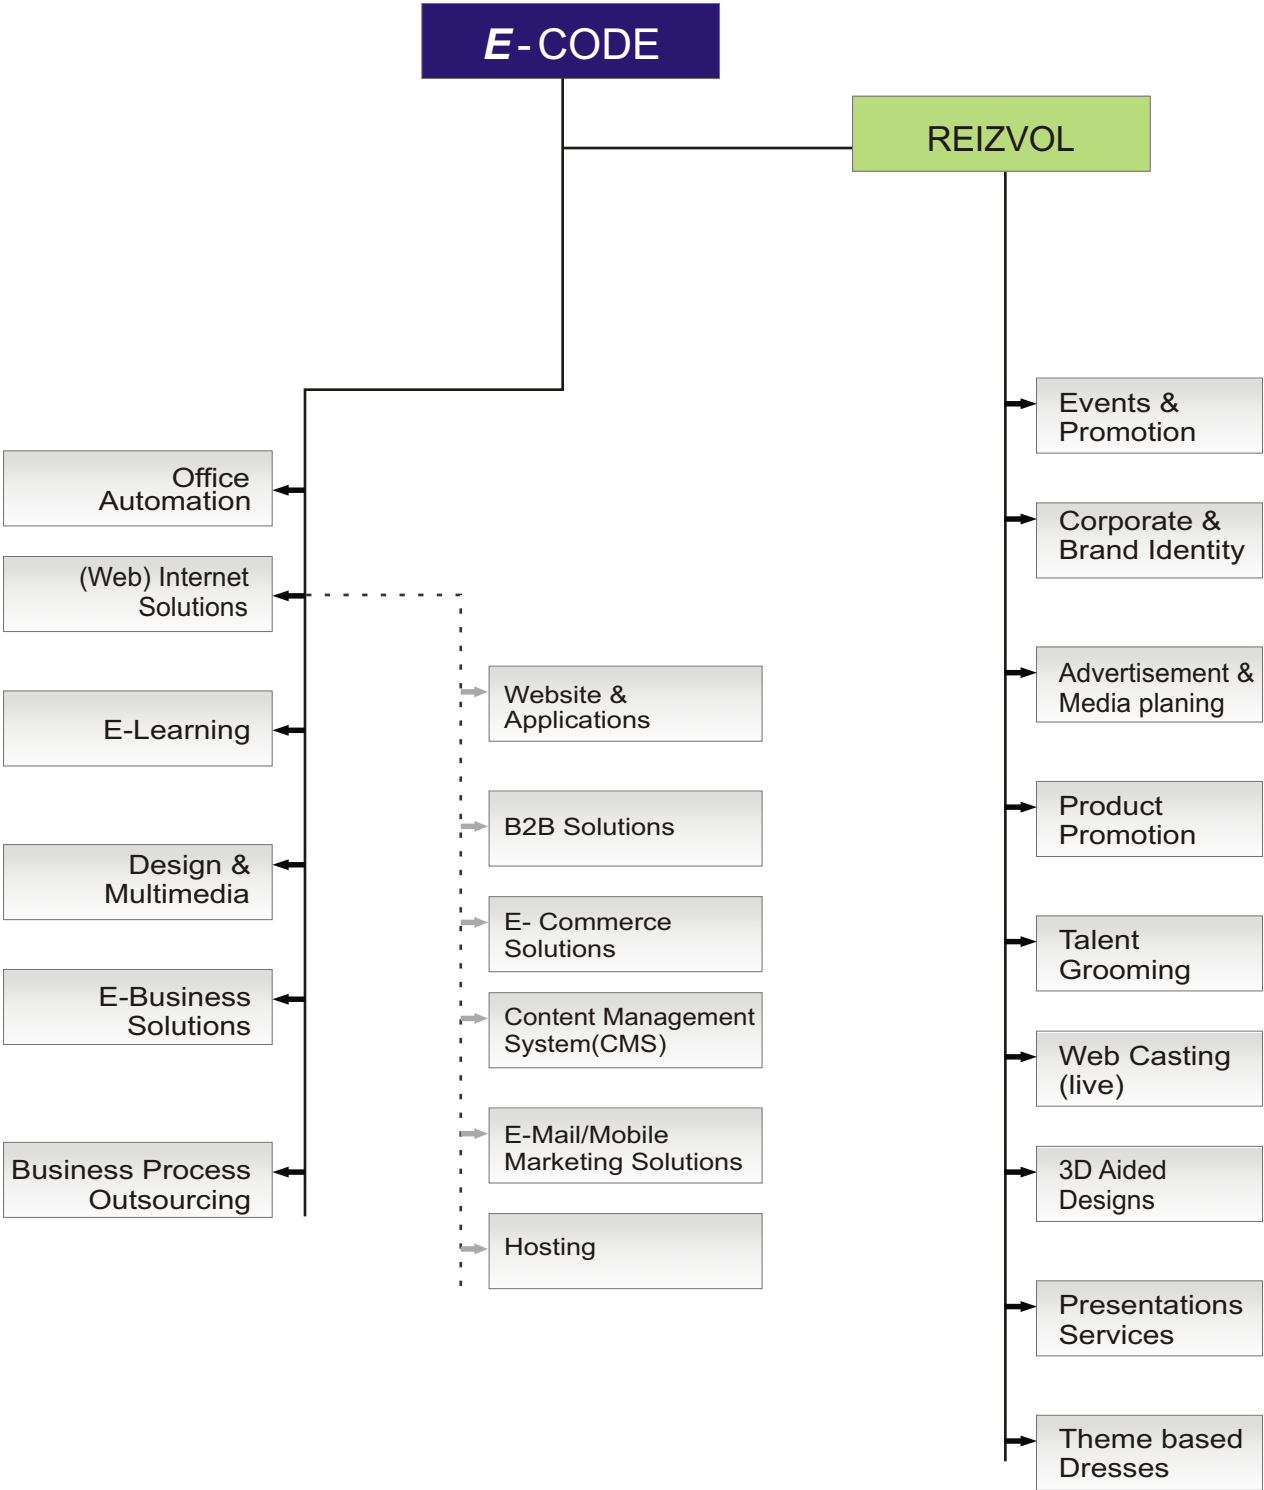

Our policy is to keep in touch with clients and to make sure the clients, that they would get attached with REIZVOL for long term relationship by gaining our service. **Reizvol introduces the marketing man at the big name rather than the end of the productions cycle and would integrate marketing into each phrase of business.**

## PROSPECTS OF E-CODE

E-CODE provides support to REIZVOL to work smoother & ability to adapting every possible solution for every precious client. REIZVOL offers its service across the country.

Now, E-CODE is also focusing in the development of new solution based on the fast moving technology. E-CODE understands its role as a major technology provider that enables its clients to achieve their perspectives more efficiently. We are sure that our objectives will be achieved through our work and to induce the new chances according to the client. We are committed to cater our full support to our valuable clients. We give them excellent services and devote our time and efforts according to the client's requirements

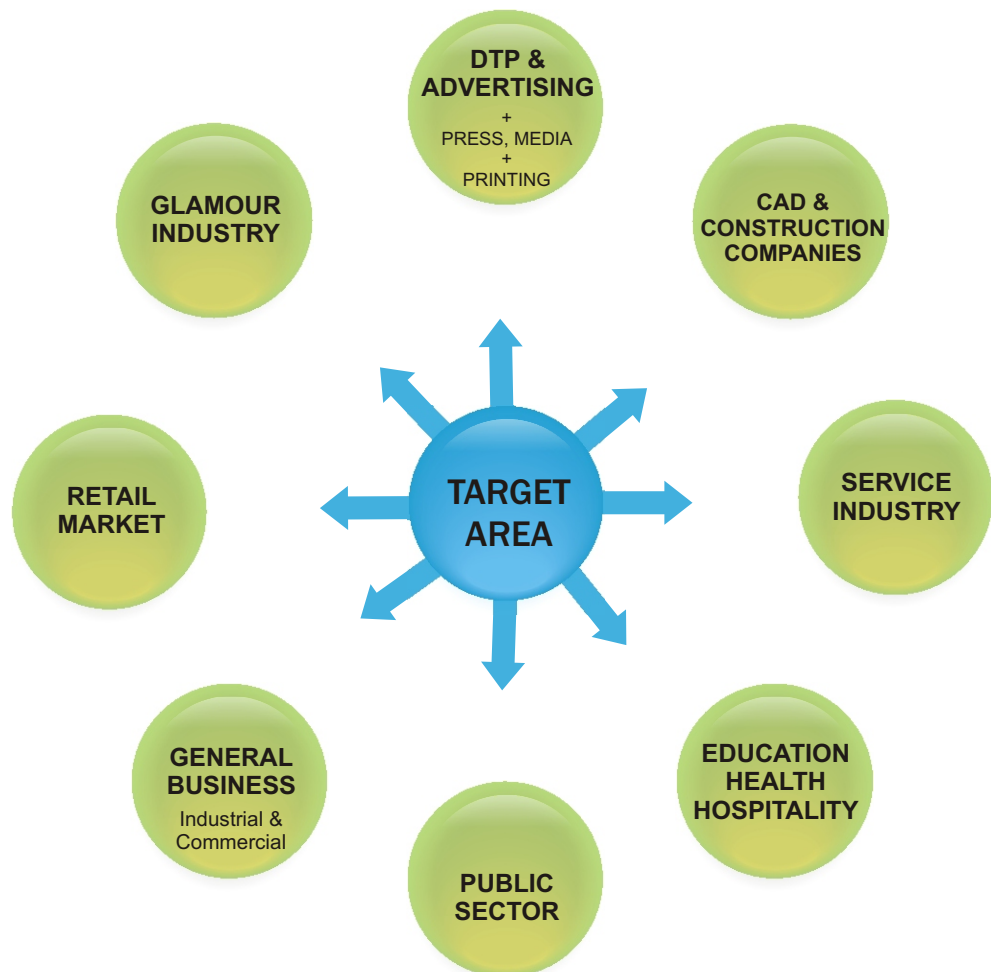

**ORGANISATIONAL STRUCTURE**
